Greetings from SC Society USD 1812 President, Jo Anne Boone

Happy New Year from your South Carolina Officers and State Chairmen! We look forward to promoting Patriotic Education throughout our state. Showing the importance of America's War of 1812 encourages patriotism, pride of country, and sense of worth. Your State President looks forward to serving you during the 2015-2018 term.

I would like to remind Chapter Presidents to send change of information forms to me, which includes e-mail address changes, spouses, etc.

All members should remember to go to our State and National websites for the most up-to-date forms and information. The Ritual, Bylaws, Handbook, and a National Directory may be found on the National website, and are available for download.

Our November 7 State Board Meeting was held at the beautiful Harbour Club in Charleston and was well attended by State Officers and Committee Chairmen, plus several guests. We had a great time and much was accomplished. A motion was passed to purchase 12 ROTC and JROTC medals, and another motion passed to donate \$100 to the Preserve the Pensions. This is a project to digitize the 1812 pensions which is being done in partnership with Ancestry.com., and is a great source for verifying an ancestor's service for membership applications.

Parliamentarian Sue Pitts volunteered to pay for 1/2 page AD in the National Newsletter to advertise our Tervis Tumblers. We only have 20 remaining and they will be available for purchase at our Council Meeting.

Congratulations to Linda Brock, Low Country Chapter President, for winning 2nd place in the National framed Certificate contest, and to Catherine McBroom, VP of the GAJ Chapter, and Bonnie Glasgow, Parliamentarian of the GAJ Chapter, for placing in the top 10 nationally!

Jo Anne

SC State Society First Vice President

After completing the 2015-2018 SC Yearbook, this officer attended the BOM meeting in November and distributed copies to each Chapter President who is then charged with distributing them to members. Please contact your president if you do not receive a copy.

I would like to encourage everyone to keep your Chapter President up to date with any changes in your information which is included in the Yearbook. Others will not be able to contact you if this information is incorrect. The Post Office requests that the 4-digit extension of the zip code also be included in your mailing address.

Chapter Presidents, please keep me in the loop with any updates you receive about members, including dropped and new members. By keeping the computer data base up to date, the 2018-2021 Yearbook may be more easily completed. Thank you and Happy New Year!

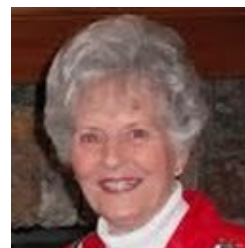

Sandra Lawton, SC First Vice President

SC State Society Chaplain

Your Chaplain will send condolence notes to families of deceased members. Friends of deceased members are encouraged to let the Chaplain know of the death of a USD 1812 member. Better there be too many notifications, than not enough.

Marilyn DeWitt Altman, SC Chaplain

SC State Society Registrar

This officer would like to report that our membership is now at 100. We verified 12 new members in 2015, and we have 6 pending plus 1 supplement. Please see the next two pages (pg 6 and 7) for the National USD1812 rules and regulations which should be helpful in preparing applications. Remember, if you have questions, don't hesitate to call me.

**Chapter Registrars, please remember that when an accepted application arrives from National, it is important to give a copy to the new member so that she will have an official record of her acceptance date and National Number.

I look forward to receiving more applications from you in 2016!

Carolyn Hobbs Miller, SC Registrar

SC State Society Historian

This Officer would like to remind members to send to me any information about the War of 1812 from their local papers.

Anne Dodenhoff, SC Historian

SC State Society Librarian

This Officer would like to remind everyone that your continued support is needed for our NS USD 1812 Library. Our Library is one of the jewels in the National Society USD1812 crown, and one of the few Libraries dedicated to the period from the end of the American Revolution through the ratification of the Treaty of Ghent 1812.

Frederica Jacobs Lofquist, SC Librarian

SC State Society Newsletter Committee Chair

This Chairman hopes members find the new format for the Newsletter informative and interesting. We will consider a second one in July or August if there is membership interest. I look forward to receiving contributions for our next one. Please send photos and information about all your chapter activities to me by mail or email. Knowing what other chapters are doing can motivate and inspire, and putting faces to names with photos helps to make us feel more connected.

Please remember that *everything you do* should be sent to Scrapbook Chair Susan Pearson, and to me as the Newsletter and Public Relations Chair. This will be a great year for the SC Society of U.S. Daughters of 1812!
Sandra Lawton, Newsletter Chair

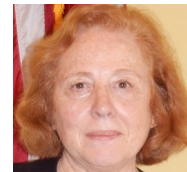

SC State Society Public Relations Committee Chair

As Public Relations Chair, this Chairman, along with Scrapbook Chair Susan Pearson, needs to know EVERYTHING you do! This includes photos, newspaper publicity, all awards offered by chapters, all Grave Markings, photos of library displays, biographies of War of 1812 heroes including, perhaps a biography of the namesake of your chapter. This information is then passed on to the Chairman National for Public Relations, Scrapbook, and National Press Book — Scrapbooks are being kept as part of a permanent record at National Headquarters.

As members of U.S. Daughters of 1812 we are being challenged to do much more than host guest speakers at luncheons. We need to educate the public, especially our children, about the importance of the War of 1812. Some ideas for doing this include putting up library displays, telling children what it was like to be a soldier in the War of 1812, wearing a period dress to a school function, distributing historical coloring books, and participating in parades with an identifying banner. Stay visible!

Take photos of everything, including:

- your meetings and inauguration of new officers identified
- new chapters created
- interesting speaker
- library display
- parade, commemorative event
- grave marking with a description
- Spirit Awards—who/what

Sandra Lawton, Public Relations Chair

SC State Society Schools Committee Chair

Please save soup labels and mail to me. Money from this project and from personal donations go to support the 4 schools supported by NS USD1812.

Brenda Larsen, Schools Committee Chair

SC State Society Veterans Rehabilitation Chair

Ladies, we should remember our Veterans by supporting them and their families in any way we can. Some ideas include checking with Veteran's Hospitals, Medical Clinics, and Veteran's Homes and asking what can be done to help; sending cards for holidays or just to say hello. Your local National Guard units may also be in need of help. The Fisher House is another source. It is for families of Veterans, where they can stay free, or at a minimal cost, and everything is provided, including groceries, gas cards, phone cards, etc. Make it a chapter project to do something this year for an active or retired Veteran. They need to know we care. Thank you, Low Country Chapter, for holding a Vietnam Veterans Commemorative Event!

Sandra Lawton, SC Veterans Rehabilitation Chair

SC State Society Electronic Communications Co Chairs

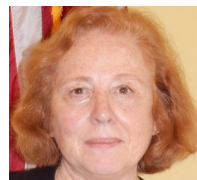

This Co-Chairman has been working with the National Electronic Communications Chair, Barbara Doody, on improving our SC USD1812 website. If you haven't been to the site recently, please take a look. There are now links from Andrew Jackson to his biography, and to the Battle of New Orleans. By clicking onto the buttons near the top of the page for "Events", "State Officers", and "Chapters" you may now easily find SC information. Other buttons take you to the National website.

The SC website is a public one which means there is no "member login" as on the National site. Since everything is public, we are not allowed to include information from the member's only section of the National site. Suggestions for further improvements would be greatly appreciated!

The SC State Facebook page is administered by Co Chair Katie Hyman. You will find it by searching on Facebook for: SC USD 1812. Photos and messages may be posted at the site but , before doing so, please contact Katie for approval. The Facebook site is not a private group and is open to the public. Internal societal information should never be posted to this group. You may check the National website for Facebook guidelines.

SC State Society Patriotic Chair

Patriotic Education is the National Project and our goal is to spread some patriotism around our communities. One way of accomplishing this is by educating on the historical significance of “The Star Spangled Banner”.

Some ideas from our National website include:

- Provide educational materials to libraries, schools, community centers, etc.
- Read a story about the Star-Spangled Banner to children at a public library or school
- Obtain a proclamation proclaiming September 14 as “Star-Spangled Banner” Day
- Do a write up in local publications that tell about the history of the Star Spangled Banner”

A sample of the proclamation is on the next page, and, later in this Newsletter, there are two Star Spangled Banner games, and an order sheet for some of the available resources from the National website.

This Chairman’s Patriotic activities include:

- dedicating a Veteran’s marker in our town of Gray Court as a “thank you” to all Veterans
- flying the different flags during local events throughout the year—Colonial, American, SC
- encouraging our town to put up flags during various holidays
- displaying Patriotic material in an historic Bank building in Gray Court
- being involved with history day for Laurens County

Remember our goal and spread some patriotism around our communities!

Sarah Jane Armstrong, SC Patriotic Chair

SC State Society Scrapbook Chair

Please send photos of meetings, events, newspaper articles, and anything pertaining to our Society and to the War of 1812 to this chairman by mail or e-mail. It would be great to have submissions from every Chapter as the State Scrapbook is a wonderful history of all that we do.

Here are some reminders when gathering items for submission:

- Keep a camera handy at your meetings, events and visits
- Name all the people in the photo and give brief description
- Make a folder on your computer to save pictures, articles, etc., which you can then simply e-mail to me.
- For newspaper articles, be sure to cut out the date and name of the publication.
- Everything we do is important—document everything so that we can show how much we accomplish each year!

Susan Pearson, Scrapbook Chair
